

TURKISH ONLINE Duke University

The Turkish Program at Duke University offers Turkish online classes for the academic year of 2020-2021. Each class is taught remotely either through prerecorded video/audio lessons or synchronous sessions via Zoom. Necessary materials, homework, and quizzes are all conducted online. Students of neighboring institutions can take these classes for credit.

For more information about the courses, please contact Didem Havlioglu (didem.havli@duke.edu)

For details about registration, please see
